NB Your attention is drawn to the notes overleaf regarding appeals.

Notes to Applicant

The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against, primarily, the development plan policies, any duties applicable and also all material considerations, including Local Plan policy, the National Planning Policy Framework and any stakeholder representations that may have been received. It has subsequently determined to grant planning permission.

Building regulations approval may still be required for the proposed development and you can contact a Building Inspector at these offices on 01900 702520 for clarification or further details on Building Regulations these can be accessed via <https://www.allerdale.gov.uk/en/planning-building-control/building-control/do-i-need-building-control/>

Prior to any building work or development you are advised to check the location of any Electricity Northwest cables, overhead lines or any other electrical equipment that may be located near to where you will be working using their self-service Know Before You Dig. Please use following link <https://www.enwl.co.uk/advice-and-services/know-before-you-dig/>

Appeals to the Secretary of State

- If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State for the Environment under Section 78 of the Town and Country Planning Act 1990.
- If you want to appeal against your local planning authority's decision then you must do so within 6 months of the date of this notice.
- Appeals can be made online at: <https://www.gov.uk/planning-inspectorate>. If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.
- The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
- If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. [Further details are on GOV.UK](#).

Purchase Notices

- If either the local planning authority or the Secretary of State for the Environment refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.
- In these circumstances, the owner may serve a purchase notice on the Council (District Council, London Borough Council or Common Council of the City of London) in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.

Note to Applicant

- This planning permission is in response to your application submitted under the Town and Country Planning Act 1990.
- You are advised however that a separate consent under the Building Regulations might also be required. If that is the case the development should not be commenced unless such approval has first been obtained.
- If as a result of meeting Building Regulations requirements or for any other reason it is necessary to revise the plans that have been approved, you will need to seek to either amend your planning permission, or to submit a new application if the changes are significant. You should seek advice from the Planning Office as to what may be required.
